100L (VERTICAL, HORIZONTAL)

COLOR

The image shows three white electric water heaters from the Heat Master series. They are arranged in a staggered formation. The first two are vertical models, while the third is a horizontal model. Each unit has a small circular logo on its front panel. To the right of the units, four red rectangular boxes list their specifications: "30 L 220 V (VERTICAL)", "50 L 220 V (VERTICAL, HORIZONTAL)", "80 L 220 V (VERTICAL)", and "100 L 220 V (VERTICAL)". A large green arrow points from the bottom left towards the text "WATER HEATER HEAT MASTER". Below the text are two buttons: a green one with the Saudi flag icon and a grey one labeled "COLOR".
